PROGRAM: “The Right Tools for the Right Job” by Mark Loewen

As the quality profession has become increasingly more sophisticated and scientific, there have been plenty of quality tools developed to make our jobs more effective and efficient. Just like other professions, we need to be sure we use the right tool to accomplish the right objective. This presentation deals with planning to use the correct quality tool in a project and how to avoid some of the more common pitfalls we encounter by not doing so.

RESERVATIONS: Please e-mail or call your reservation to Matt Marshall at mtmarsha@verizon.net or (570) 742-3111 by 5:00 pm on November 6th.

Volunteers

ASQ is an all-volunteer organization and we need to have as many individuals involved as possible to keep the organization new and interesting. Many positions are open to interested individuals. The list of positions is shown on the Section Home page: www.asq501.org. Please contact an officer if you are interested in volunteering with the section or if you have a question regarding a particular position and its responsibilities.
