Volunteers

ASQ is an all-volunteer organization and we need to have as many individuals involved as possible to keep the organization new and interesting. Many positions are open to interested individuals. The list of positions is shown on the Section Home page: www.asq501.org. Please contact an officer if you are interested in volunteering with the section or if you have a question regarding a particular position and its responsibilities.

Elections

Nominations for the offices of Chair, Vice-Chair and Treasurer will be taken during this meeting. Anyone interested in holding a position, please notify one of the officers listed on the newsletter or send an e-mail to tina.byers@westpharma.com.

Job Openings

Occasionally our section receives information from local companies who are searching for persons for Quality Positions. In the past, we have not provided this service for staffing organizations. Due to the increasing numbers of our section membership who are looking for positions, the executive committee met in January 2011 and agreed that we would begin to provide this service for staffing organizations. We will **NOT** be providing any information about our section membership to any organization or company contacting us for assistance in locating qualified personnel.

Directions to State of the Art:

Directions: Directly across from the University Park Airport. Turn onto High Tech Road, then take the first left. Park in any unreserved parking space, then walk into the central courtyard and turn to the right to the visitors entrance.
