**NEWS**

**Members:** Frequently the arrangements for programs or tours are confirmed fewer than three weeks prior to the date of the meeting. Our section is able to communicate the meeting announcements, via e-mail notifications, in a timely manner; however, several members do not have an e-mail account listed in the ASQ profile and receive notification of meetings via postal delivery.

Postal Service delivered notifications may not arrive in sufficient time to make arrangements to attend the meeting. I would encourage everyone to take a few minutes to update or add an e-mail to their information in the ASQ site. Members can opt to receive communications from our section only; this will allow e-mails about our section's activities without authorizing all ASQ communications.

### **VOLUNTEERS**

ASQ is an all-volunteer organization and we need to have as many individuals involved as possible to keep the organization new and interesting. Many positions are open to interested individuals. The list of positions is shown on the Section Home page: [www.asq501.org](http://www.asq501.org). Please contact an officer if you are interested in volunteering with the section or if you have a question regarding a particular position and its responsibilities.
